

Arizona Tactical Officers Association

Training Announcement

Course Title: **Covert Methods of Entry Training (CMoE)**
presented by **Jericho Specialized Entry Training**

Course Description: Arizona Tactical Officers Association (ATOA) is excited to partner with Jericho Specialized Entry Training LLC to provide training classes throughout the State of Arizona! Training is accomplished in two eight-hour days with plenty of hands-on activity for students. All necessary tools are provided for student's use during class. Numerous types and styles of locks are available to provide realistic, real-world practice with well over 220 different locks available in the classroom. Upon successful completion of the class students will receive **16 hours of Arizona POST continuing education and training credit and a free basic lock-pick set.**

The goal of this class is to provide on-site, professional training in practical entry techniques in topics such as lock picking, lock bypassing, lock bumping, subtle breaching techniques, and more. Law enforcement officers, including detectives, tactical personnel, patrol officers, canine handlers, supervisors, narcotics detectives and others in law enforcement can all benefit from this training

Instructor Info: Jericho Specialized Entry Training, LLC provides sworn law enforcement officers with the skills needed to pick locks or perform other subtle breaching techniques in the course of their duties. The skills students develop can and have been used in practical applications such as welfare checks, probation and parole searches, search warrant service, arrest warrant service, securing businesses, vehicle searches, vehicle lock-outs, and much more.

Cost: \$300 Course Fee – Special Rate for ATOA members only. All attendees must be a current member of the Arizona Tactical Officers Association. (New Membership Cost \$30 per year)

Class Size: Class is limited to 10-13 students
