

3-day TacDogs Seminar

April 28-30, 2017

Florence, AZ

\$550 per K-9 team

Observers, no dog: \$100 per day

The TacDogs seminar is a program that was designed by a K-9 handler that works for a full-time SWAT team. The seminar is for K-9 teams and those that work with them. These program principles were taken from real life street experience and are not based on theories or stories from other teams. This seminar has enhanced K-9 deployment capabilities, overall team safety, and reduced liability.

Who should attend:

K-9 teams that work on patrol, on special units, in corrections, as an SAR team, and single purpose detection dogs for law enforcement and military.
Anyone that wears a badge and works closely with a K-9 team would benefit by observing this seminar.
